- B. Unknown, my routes consist of rural household pickups, resorts, restaurants and grocery stores, etc.
- C. Same as B.
- D. Kummers Landfill, Leech Lake Landfill.
- E. In talking to Mr. Scott Lupin (phone call 1/15/85) the list of generators of waste would be too extensive to copy and send to you as it contains approximately 650 year round residential customers and additional 150 to 200 summer residential customers, about 30 to 35 resorts, several restaurants, gas stations, repair shops and grocery stores.

The list of customers is open to your inspection upon request for information.

- 4. June, 1982
 - Jan thru Dec 1983
 - Jan thru Sept 1984

If I can be of help in any way, I would be glad to oblige you.

Sincerely,

Don Moe
